

Dear Parent or Guardian,

Due to the launch of our Activ8 young lifestyles membership, Lifestyles will no longer be offering the Futures membership scheme. This will come into effect within the next couple of months. For further information please visit [liverpool.gov.uk](http://liverpool.gov.uk) or contact us on [lifestyles@liverpool.gov.uk](mailto:lifestyles@liverpool.gov.uk) or **0151 233 5433**. The Aim of this is to standardise the current membership options in order to offer consistency across all Lifestyles facilities.

Activ8 will provide your child with the same membership access they had through the previous Futures membership and a lot more besides! Activ8 membership caters for children 8-17\* year olds.
