

BELLERIVE FCJ CATHOLIC COLLEGE

ADMISSIONS POLICY AND CRITERIA FOR 2027-2028

Bellerive FCJ Catholic College is a Catholic School for girls. It is an Academy in the FCJ Educational Trust. Religious education and worship is at the heart of the school and its curriculum. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential, therefore, that the Catholic character of the school's education be fully supported by all families in the school. Consequently, all applicants are expected to give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

Year 6/7 Transfer

The academy company is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round (excluding admission to year 12). The admission authority has set the school's Published Admissions Number ("PAN") at 150 pupils to year 7 in the school year which begins in September, 2027.

Procedures for Making an Application to the School for Entry in Year 7

The following forms need to be completed and returned to the appropriate place:

1. The Local Authority Application Form – This is available on the website of the Local Authority in which the family is resident. (The Statutory deadline for receipt by the Local Authority is 31st October 2026).
2. Bellerive Supplementary Information Form – you must enter Bellerive FCJ Catholic College as a preference on your Local Authority Application Form AND submit the Bellerive Supplementary Information form. If the Governing Board makes an allocation of a place on the basis of fraudulent and intentionally misleading information, that place will be withdrawn.

Late Applications

Applications that are received late will not be considered until after the initial offers have been made on 1st March 2027. Applications that are incomplete will be ranked according to the information submitted i.e. if you do not submit the SIF and all supporting documentation on time, the admissions authority will rank your application according to the information given on the Common Application Form (CAF) and this may affect your daughter's chance of being offered a place at the school.

Right of Appeal

Applicants who are not offered a place at Bellerive FCJ Catholic College have a right of appeal to an Independent Appeals Panel. The appeal will be heard in accordance with all relevant provisions of the School Admissions Appeals Code published by the Department of Education 1 February 2012.

Request for admission outside of the normal age group

Parents have the right to request that their child is admitted outside of the normal age. In the event that you wish to make such a request please contact the Clerk to Governors with a written request including the following information:

1. the normal age group that the pupil would be admitted to (e.g. Year 7) and the year group which you are requesting your child be admitted to;
2. the reason(s) for your request;
3. your views on why the admission outside of the normal year group should be made;
4. information and evidence about your child's academic, social and emotional development as supported by professionals;
5. confirmation as to whether your child has been educated outside of the normal age group previously; and
6. if relevant to the request, a medical history and the views of medical professionals about the request for being educated outside of the normal age group.

The Headteacher will be given the opportunity to consider the information and, along with your application, submit the information to the Governors' Admissions Committee to make a determination. If the request for a deferred entry is not made within the normal admissions round and is refused by the Admission Committee, whereby you are not offered a place for your child in the normal age group, then Parents will have the right to appeal the decision to an independent appeal panel.

If the application is made during the normal admissions round, and Governors agree that an admission outside of the normal age group is acceptable, then the application will be processed in accordance with that admissions scheme as coordinated by the Liverpool City Council and will still be subject to our oversubscription criteria. A grant of the application does not receive any priority under our oversubscription criteria. If the application is rejected by Governors Admissions Committee during the normal admissions round, then the application for a place at Bellerive will still be subject to our oversubscription criteria but for admission into the normal age group.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable or hard to place in accordance with locally agreed protocols. Accordingly, outside the normal round of admissions, the governing body are empowered to give absolute priority to a child where admission is requested under any local protocol which carries the agreement of both the governing body and the diocese for the current admission year. The governing body has this power even when admitting such a child would exceed the normal admission number.

Admissions at Year 12 and 13 (Sixth Form)

The school operates a sixth form with places reserved for the school's own students who fulfil the entry criteria. The school also welcomes applications from girls from other institutions, supportive of the Catholic Ethos of the school regardless of their own personal faith. Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form as stipulated in the Sixth Form Course Guide on our school website. If either internal or external applicants fail to meet the minimum course requirements, they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. Course requirements are published annually on the school's website.

Applications must be made on the Sixth Form Application Form available from the school and on the school website. The offer of a Sixth Form place is conditional on the school being able to provide a course suited to the applicant's age, ability, aptitude and educational needs.

If there are more external applicants than places available at the school, the school oversubscription criteria will apply in accordance with the criteria for admission for Yr. 7.
