Pupils can opt to take Drama as part of the creative carousel. There are 6 lessons per fortnight for one term before the carousel rotates. During that term, the following topics will be covered:

Term	Learning Focus	Key Knowledge and Skills	Assessment	Challenge and Enrichment
	Exploring mask work	Pupils will develop their physical skills by completing several Trestle Theatre Mask workshops and use new techniques to create performances with a focus on using non – verbal practical skills to form their storytelling.	Students will take an online assessment (Microsoft quiz) on their knowledge and understanding of the history of masks and the techniques of working with masks.	<p>Follow the link to the Year 9 Drama Padlet to find lots of resources for revision, challenge and enrichment – including our 'Super Curriculum' projects.</p> <p>This is updated regularly with up-to-date resources and images of excellent work and examples of practical work completed during lessons.</p> <p>https://padlet.com/bassh1/year-9-drama-term-1-iz8ntvnpd9jgjaqm</p>
	Exploring Character	Through script work pupils will continue to develop and refine their practical theatre skills to improve the way they develop characterisation and communicate meaning to an audience.	<p>Pupils in Drama are assessed in three areas: creating, performing and responding.</p> <p>During this term students will work towards a performance that will be shown to the rest of the class (and hopefully an invited audience). The rehearsal process, the performance itself, and their written evaluation for this project will form their evidence for assessment.</p>	<p>Follow the link to the Year 9 Drama Padlet to find lots of resources for revision, challenge and enrichment – including our 'Super Curriculum' projects.</p> <p>This is updated regularly with up-to-date resources and images of excellent work and examples of practical work completed during lessons.</p> <p>https://padlet.com/bassh1/year-9-drama-term-1-iz8ntvnpd9jgjaqm</p>
