SCIENCE TECHNICIAN

REQUIRED FOR SEPTEMBER 2026

Actual Pro Rata Salary **£23,531** (FTE £28,142) - SCP11 (*Pay award pending*)
37hrs/wk

Gentleness, hope, dignity, justice, companionship and excellence

For over 170 years Bellerive FCJ has been educating girls in Liverpool. The FCJ values of gentleness, hope, dignity, justice, companionship and excellence, permeate everything we do; indeed, this was commented by Ofsted that *"Staff and pupils practise the school's values: excellence, companionship, dignity, justice, hope and gentleness"*.

Our aim is to follow the vision of Marie Madeleine d'Houet, the foundress of the Faithful Companions of Jesus. Marie Madeleine, was a woman of inspiration and courage, constantly searching to do good for others. We strive to instil in our students a zest for life, and a desire to use their talents and gifts in the service of others.

The Governors are seeking to recruit a suitably qualified and experienced Science Technician to join the Science Faculty at Bellerive FCJ Catholic College.

This is an opportunity for a suitably qualified/experienced person to use their skills in science to support our teachers to help our pupils succeed and reach their full potential in the sciences.

There are 8 science laboratories in the department and the successful candidate will work with the Senior Science technician to support teaching and learning within the Science Faculty. The role includes the preparation and retrieval of materials and apparatus when required for demonstrations and practical work, as well as working alongside teachers to assist in practical demonstrations and experiments during lessons.

In addition, you will assist with the organisation of the Science preparation rooms, including the safe storage and disposal of chemicals, the monitoring and management of stock and supplies and the maintenance and cleaning of equipment, along with any ad hoc tasks delegated to you by the Science Faculty.

You will also be required to act as a First Aider in school and appropriate training will be provided

Bellerive is a popular, successful and over-subscribed Catholic college for girls aged 11-18 years, with a mixed 6th Form. Our aim is to enable each pupil to make the most of every given ability and enjoy and achieve personal growth and academic excellence. We will support and encourage them to succeed and prepare for their adult life, playing a full part in a modern global society.

We offer a broad and balanced KS3 curriculum, which aims to offer every girl the opportunity to maximise their potential. Bellerive builds on past experiences to help all girls to become successful learners and be responsible citizens. Students within KS4 follow a broad and balanced curriculum, which enables pathways appropriate to individuals and progression into our growing Sixth Form, university and the world of work.

We are rated as 'Expected Standard' school by Ofsted (March 2026) and Outstanding in the Catholic Schools' inspection carried out in April 2024.

Bellerive FCJ Catholic College is committed to ensuring the highest levels of safeguarding and promoting the welfare of children, and we expect all our staff and volunteers to share in this commitment. All offers of employment are subject to an Enhanced and Barred DBS check, references, and where applicable, a prohibition from teaching check will be completed for all applicants. Before applying, please read the Notes to Applicants, within the application pack.

The closing date for applications is **12.00 noon on Monday 13th July 2026**.

Further information, including detailed job description, person specification and application forms can be obtained by visiting the Vacancies page on the school website: <https://www.bellerivefcj.org/vacancies>

Completed applications should be returned to recruitment@bellerivefcj.org and interviews will be held as soon as possible after the closing date.

Applicants who are not contacted may assume that they have not been successful but are thanked for their interest. Unfortunately, we are unable to provide feedback to unsuccessful applicants who are not called for an interview.
