## 1. Introduction:

Bellerive recognises the clear link between the attendance and attainment of students. The aim of this policy, is to encourage the highest possible levels of attendance and punctuality for students within our school to support learning and achievement.

The importance of attendance and punctuality is underpinned by an awareness of safeguarding issues. It is important to see our young people every day and provide an educationally safe and secure environment.

To gain the greatest benefit from their education it is vital that all students attend regularly and on time. Students should attend every day that the school is open. We set a target for all students to aim for 100% attendance with the expectation all students achieve at least 97%. **As a school we define regular attendance as 97% or above.**

Bellerive believes Teachers, Parents, Carers, Students and all members of our school community have an important contribution in improving attendance and punctuality, ensuring students **attend to achieve**. This policy sets out how we will achieve this together and should be read in conjunction with the Attendance Routines/Roles & Responsibilities and Attendance Procedures attached to this document.

### 1.1 Aims

Our school aims to meet its obligations with regards to school attendance through a continuous drive to:

- Raise the profile of attendance and punctuality amongst the school community, promoting good attendance and reducing absence.
- Maximise the overall percentage of student attendance and punctuality, ensuring every pupil has access to the full-time education to which they are entitled.
- Promote and support punctuality to lessons.
- Reduce the number of students who are persistently absent (90% or below) or severely absent (50% or below)
- Provide support advice and guidance for parents/carers to perform their legal duty to ensure their children of compulsory school age attend regularly, as well as supporting students and staff.
- Develop clear procedures for the maintenance of accurate registration for students.
- Ensure a systematic approach to gathering, analysing and acting upon attendance data including identifying and addressing any patterns of absence
- Ensure a proactive whole school approach that embeds a consistency of practice.
- Continue to promote effective partnerships with the Local Authority, Children's Services, School Health and other partner agencies.

### 1.2 Promoting Regular Attendance

This is everyone's responsibility, all members of staff, parent/carers and students. To help us all focus on this, we will ensure:

- There is a designated senior leader for championing and improving attendance (DAL)
- Effective strategies are in place to deter poor punctuality
- An engaging curriculum is provided and will be reviewed regularly
- High quality teaching and learning is delivered throughout the school
- Students are provided with appropriate support from school and partner agencies to minimise disaffection from school where ever possible; this may include working with our Family Liaison Officer, our school counsellor or other internal or external interventions
- Vulnerable groups, including those with SEND or SEMH, are provided with effective support at the earliest opportunity and attendance is monitored rigorously

- Effective partnerships are encouraged with parent/carers through regular contact and support provided
- Parents/carers are kept informed of students' attendance and punctuality through the school's attendance procedures, termly progress reports, individual letters and meetings when required
- Good attendance and punctuality is rewarded through regular individual student incentives, praise and rewards
- Attendance and punctuality is regularly discussed with students in form time and at assemblies
- Attendance and punctuality is regularly discussed with staff each week through Pastoral and Year Team meetings, and at weekly SLT/Safeguarding meetings
- Attendance roles and responsibilities are clearly defined and all staff should ensure these are followed..

## 2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

## 3. Attendance Expectations and Absence Procedures

A child not attending school is considered to be a safeguarding concern. This is why information about the cause of any absence is required. Parents/ Carers must inform school on the first day of absence by 8:30am.

### 3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first (am) session of each school day and once during the second (pm) session. It will mark whether every pupil is:

**Present (/)**

**Absent; no reason yet provided (N), other authorised circumstances (C), illness not medical or dental appointment (I), medical appointment (M),**

**Late; before registration closed (L) - staff are asked to record the number of minutes late**

**All other codes can only be input via the school's attendance admin staff; see appendix for the DfE attendance codes.**

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

### **3.2 Expectations of students**

- Ensure you arrive at school by 8:40am, ready for registration at 8:45am.
- Attend every lesson and arrive on time.
- Never leave the school site without permission.
- Always use the signing in/out system when late or leaving school for appointment.
- Following all absence complete any missed work that may be provided, to avoid any missing gaps in knowledge and understanding; actively seeking help from subject staff where needed.

### **3.3 Expectations of Parent/Carer**

- Ensuring your child's regular attendance at school is a parent/carer's legal responsibility (Section 444 of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law.
- Ensure your child leaves for school on time; pupils should be on site for 8:40am.
- Contact school if your child is to be late.
- For routine non-emergency medical and dental appointments please ensure they are made outside of school hours and confirmation of the appointment is provided.
- Contact school by 8:30am, or as soon as practically possible, on the first day of absence if your child is unable to attend, giving an indication of the expected duration and return date to school. This should be done by ringing school (0151 727 2064) and choosing option 1 to 'Report a pupil absence'. Parents/carers should then ring on each subsequent day of absence if it goes beyond 1 day.
- If a text message is received as a result of your child's absence it is important that you respond to ensure your child is appropriately safeguarded.
- Contact the Head of Year or Assistant Head of Year if the reason for absence requires a more personal contact.
- In case of emergency we need up to date contact numbers at all times. Please ensure you inform school of any changes especially to mobile telephone numbers (as a school we request a minimum of three emergency contact details be provided).
- Requests for leave of absence in exceptional circumstances must be made in writing by parents/carers via the 'Pupil Leave of Absence Form' on the school website (<https://www.bellerivefcj.org/attendance>) and can only be authorised by the Headteacher/Designated Attendance Lead. We request that all applications are submitted as soon as the absence is anticipated, and at least 2 weeks prior to the absence where possible. Reasons such as a close family bereavement or taking part in a significant religious event would be acceptable for short absences. Unacceptable reasons for missing school, include general holidays, weddings, shopping, concerts and birthdays. Any leave of absence taken without authorisation will be recorded as an unauthorised absence and may be referred to the Education Welfare Service (see also Section 7).

### **3.4 Expectations of School to Notify Parents/Carers of Absence**

#### **When a student is absent school will:**

- Telephone and text the priority 1 contact number held by the school on the first day of absence if we have not been informed about the reason for a pupil's absence by the time the register is closed.
- If no response is received, the school Designated Safeguarding Lead and Designated Attendance Lead will be notified, a member of school staff may conduct a home visit. If there are safeguarding concerns, contact will be made with the family, and where necessary, any external agencies involved as soon as possible;
- If a student's absence continues, the parent/carer will be invited to meet with the Head of Year/Assistant Head of Year and/or SLT to discuss how we can best support your child to improve their attendance;
- If the parent/carer does not attend the meeting and no explanation is provided, further advice will be sought from the Education Welfare Officer.
- If a student has accrued 10 sessions (equivalent to 5 days) of unauthorised absence in any one term, the parents/carers may be issued with a Penalty Notice warning letter in accordance with the Local Code of Conduct and in agreement with the Education Welfare Officer;
- If unauthorised absences persist the Head of Year/Assistant Head of Year and/or Designated Attendance Lead will discuss actions with the Education Welfare Officer.

## 4. Understanding Types of Absence

Every school has to legally record every absence. This is why it is important that parents/carers directly inform school regarding the reason for absence, on the first day of absence.

Every half day absence from school is classified by the school (not by the parents/carers) as either Authorised or Unauthorised

### 4.1 Authorised Absence

- An absence will be authorised by school only if the school accepts the explanation offered as a satisfactory reason for absence.
- If no explanation is received, absences cannot be authorised.
- It is the Headteacher, not parents who make the decision to authorise absence from school.
- Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.
- The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- **Illness** - absence due to illness may be authorised once we have received the reason for the absence from the parent/carer. If there are concerns regarding overall attendance, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If these concerns persist and the pupil's attendance drops to 90% or below, without clear evidence for the absences, the school may decide to stop authorising absences for this pupil.
- **Medical/dental appointments** - we encourage parents/carers to make medical and dental appointments out of school hours wherever possible. Where this is not possible, absence due to a medical or dental appointment will classify as an authorised absence; advance notice is required for authorising these absences. An appointment slip/card should be presented when the pupil signs out/returns to school and the pupil should be out of school for the minimum amount of time necessary.

Pupils should see their Head of Year or Assistant Head of Year in advance to get permission to sign out of school early/arrive at school late for any medical appointments. Only their Head of Year/Assistant Head of Year/member of SLT can give permission for the pupil to leave school at any time.

- **Religious observance** – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

Applications for other types of absence in term time must be made in advance.

### 4.2 Unauthorised Absence

- Unauthorised absences are those which the school has not received a reason for absence or has not approved a child's leave absence following a parental request.  
Examples of unauthorised absence include, but is not exclusive to:
- When a term time holiday is taken which has not been granted by the headteacher.
- An absence for which there has been no absence note received from parents/carers.
- Absences with no supporting medical evidence where this has been requested (this will have been previously communicated to parents/carers through the attendance monitoring procedures)
- Parents giving their children permission to be off school unnecessarily, such as for shopping, birthdays, to look after siblings;

- Truancy before or during the school day;
- Students who arrive after the close of registration.

The decision to unauthorise an absence is at the school's discretion.

This type of absence may lead to the use of Penalty Notices or other sanctions from the Local Authority. In accordance with the Local Authority Code of Conduct, schools can issue warning letters to parents where their child has accrued 10 sessions of unauthorised absence in any one term. The warning period will cover a period of 20 school days. If the child has any unauthorised absence during this time the school will refer the case to the local authority requesting a Penalty Notice be issued.

### **4.3 Persistent Absence**

- Students are defined as persistent absentees by the Department for Education (DfE) if their attendance falls below 90% (equivalent to 1 day or more a fortnight across a full school year); this is for any absence whether authorised or unauthorised.
- School will intervene before a student becomes a persistent absentee.
- Whilst we understand that students can be absent from school because they are ill, sometimes they can be reluctant to attend. If a parent/carer has concerns, it is important that contact is made with the school as soon as possible to discuss support and to work together to gain a resolution. Parent/Carers are asked to contact the Head of Year in the first instance.

### **4.4 Severe Absence**

Students who miss 50% or more of school are classified as being severely absent by the Department of Education (DfE). This cohort of students may require additional support from the local authority and partner agencies to help your child improve their attendance.

It is essential that parents/carers work in partnership with the school and its partners, to ensure their child receives the support they require to overcome any barriers that are preventing them from attending school.

### **4.5 Legal sanctions**

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

The issue of a Penalty Notice may be considered appropriate in any of the following circumstances:

- In cases of overt truancy (including pupils stopped on a truancy operation)
- In cases of parentally-condoned absence, where this can be demonstrated.
- In instances of leave taken in term time (for example for the purposes of a family holiday)
- In cases of persistent late arrival at school after the register has closed and an unauthorised absence is created.

The pupil concerned must have lost at least ten sessions (5 school days) to unauthorised absence during one term.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 if paid between 22 and 28 days. The payment must be made directly to the local authority.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

## 5 Why Regular Attendance is Important

Any absence affects education and regular absence will seriously affect students' learning.

Students who have time off often find it difficult to catch up and do well.

90% attendance is equivalent to a student missing one half day of lessons per week or approximately 118 lessons per year.

The DfE has published a strong link between poor school attendance and low levels of achievement:

Students attendance	Chance of achieving 5 good pass grades at GCSE
100% - 96%	73% of Students achieve 5 good pass grades.
96% - 94%	64% of Students achieve 5 good pass grades.
93% - 90%	55% of Students achieve 5 good pass grades
80% to 70%	Only 20% chance of achieving 5 good pass grades
50% and below	Only 6% of Students achieve 5 good pass grades

Ensuring your child's regular attendance at school is your legal responsibility and permitting your child to have any absence without a good reason from school is an offence in law (The Education Act 1996) and may result in legal action.

## 6 The Education Welfare Officer (EWO)

The Education Welfare Officer provides support for parents/carers and advice on problems relating to attendance, and encourages good communications between home and school.

The EWO will always try to resolve the situation by agreement with the family but, if a resolution cannot be achieved to improve the student's attendance and where unauthorised absence persists, the EWO will be required to consider the instigation of legal proceedings which include; Parenting Contracts, Penalty Notices, Parental Prosecution and Education Supervision Orders.

Details regarding attendance law, penalty fines and legal interventions are available from the local authority (<https://liverpool.gov.uk/schools-and-learning/education-welfare/school-attendance-behaviour-welfare/#:~:text=As%20a%20parent%20you%20are,penalty%20notice%20or%20being%20prosecuted>).

## 7 Leave of Absence

The law does not give any entitlement to parents to take their child on holiday during term time. Any application for leave must be in truly exceptional circumstances and the Headteacher must be satisfied that the circumstances warrant the granting of leave.

Parents/carers can receive a Penalty Notice for taking their child on holiday during term time without prior consent from school. Consent cannot be given retrospectively.

Headteachers cannot grant any leave of absence during term time unless there are exceptional circumstances. The Headteacher will determine the number of school days a child can be away from school if the leave is granted.

Any request for leave of absence requires a 'Pupil Leave of Absence Form' to be completed and submitted to the Headteacher/Designated Attendance Lead; this is available on the school website under the section Parents/Attendance.

## 8 Lateness and punctuality

Poor punctuality is not acceptable. If a student misses the start of the day/lesson they can miss work and important messages/information; students arriving late also disrupts lessons. A range of support and sanctions apply to students who arrive late.

The register for the first (am) session will be taken at 8.45am and will be kept open until 9.05am.

Any student who arrives after 8:45 will be recorded as late and issued a minus mark; the number of minutes late will be recorded.

If a student is late to am registration on two or more occasions in any one week (Mon-Fri), a 10 minute detention will be imposed by their form tutor at a time convenient to the tutor (break or lunchtime).

Pupils who arrive after 9:05 will need to sign in at Reception and will be issued with a HoY/AHoY detention.

If punctuality becomes an increasing concern, parents will be notified and students will be placed on a Punctuality monitoring card, initially monitored by form tutors.

If a student is late to assembly on 2 or more occasions in any one half term students will be placed on a 20 minute detention with AHoY/HoY.

The register for the second (pm) session will be taken at 1.20pm and will be kept open until 1:40pm. A pupil who arrives late but before the register has closed will be marked as late, the number of minutes late will be recorded and a minus mark imposed by class teacher.

A detention with the class teacher may be imposed to make up the work missed due to late arrival.

Pupils who are persistently late to lessons will be identified and monitored by their Head of Year/Assistant Head of Year. Parents will be notified of any concerns and pupils may be subject to break/lunch or after school detentions, as deemed appropriate. Where there is no improvement, a Penalty Notice may be issued.

<b>Minutes late per day during the school year</b>	<b>Equal days' worth of teaching lost in a year</b>
5 minutes	3.4 days
10 minutes	6.9 days
15 minutes	10.3 days
20 minutes	13.8 days
30 minutes	20.7 days

## 9 Following up absence

The school will follow up any absences through telephone calls and/or letters home to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use; see Appendix – Attendance Routines and Attendance Procedures

## 10 Monitoring Attendance

The school monitors pupil absence on a daily basis; please refer to Appendix – Attendance Routines

The Designated Attendance Lead will also produce a weekly report to be shared with senior leaders and key pastoral staff, showing the attendance for key sub groups within each year group and how school figures compare with National figures.

Attendance data will be monitored on a weekly, half termly, termly and annual basis and any key groups or cohorts of students where attendance is a concern identified as well as any emerging or historical trends or patterns.

Assistant Heads of Year/Pastoral Teams will identify students who classify or are close to 'persistent absence' and put appropriate monitoring and attendance support plans in place – see Appendix - Attendance Procedures.

The DAL, DSL and Family Liaison Officer will work closely to ensure that appropriate plans are in place to support any student who classifies as 'severe absence' and these will be discussed in weekly Safeguarding Meetings.

Attendance Secretary will monitor the attendance of those at Alternative Provision and notify the DAL/DSL of any attendance concerns; students at Alternative Provision will be visited regularly by a member of the Attendance Team to maintain school relationships.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare school attendance data to the national and regional average, and share this with the governing board.

## 11 Reporting to parents

Parents/carers are informed of their daughter's attendance in each termly reporting cycle. Students receive weekly attendance stickers with attendance Year to Date Figure and previous week's attendance. Parents can also view student's attendance via Classcharts.

School target for attendance is 97%; parents/carers will receive a letter should their daughter's attendance reach 95% and again if it reaches 93% or 3 days absence in any term. If attendance drops below 91% or 4 days absence in any term parents/carers may be invited into school to meet with their daughter's Head of Year/Assistant Head of Year/Attendance Officer/Education Welfare Officer.

## 12 Removal from Roll

From the 1st September 2016 changes were introduced to the Pupil Registration Regulations 2016. These amendments affect all non-standard transitions; this is whenever a child of compulsory school age leaves a school before completing the school's final year.

### As a school we are now required to:

- Inform the LA in **every** circumstance when deleting a pupil's name from the admission register.
- Inform the LA of the pupil's destination school and home address if the pupil is moving to a new school. School must complete an Exit form and submit to the [CME@liverpool.gov.uk](mailto:CME@liverpool.gov.uk) inbox.
- provide information to the LA when registering new pupils, including the pupil's address and previous school

If your child is leaving our school parents are asked to:

- provide the attendance officer with comprehensive information about their plans, including: any date of a move; your new address and telephone numbers; your child's new school and the start date when known. This should be submitted to school in writing
- if a pupil leaves and we do not have the above information, then your child is considered to be a child missing in education. This requires schools and local authorities to carry out investigations to try and locate your child, which may include liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

### Attendance Procedures: Student Version

Attendance:	Description:	Notes:
<b>YTD attendance &gt; 99%</b>	<b>Excellent</b>	2 days or less absence in the full academic year. Excellent attendance and something to be very proud of.
<b>YTD attendance &gt; 97%</b>	<b>Very Good; meets school target</b>	6 days or less off each year; equates to missing between 5 and 30 hours of learning across the year but this shouldn't hinder progress if you ensure you catch up on any work missed.
<b>YTD attendance drops below 97% (&gt;95%) and/or pattern in absence appears to be emerging</b>	<b>Good; meets Government's expectations Attendance Support Stage 1a</b>	6 to 10 days off each year; equates to missing between 30 and 50 lessons across the year and it 'shouldn't' hinder progress in any subject but might if you do not ensure you catch up on work missed. Form Tutor meeting to discuss reasons for absence, identify any patterns in absence or barriers to attending and set target to improve. Form Tutor will closely monitor your attendance any and will hold discussions after any future absence (back to school discussion).
<b>YTD attendance drops to 95% (&gt;93%) or 2 days absence in one term</b>	<b>Requires Improvement; Attendance Support Plan Stage 1b</b>	10 to 13 days off each year which is 50 – 65 hours of lost learning which may hinder progress in some subjects. Letter sent home to parents. Student placed on Form Tutor Daily Attendance Monitoring Card (ASP Stage 1b) for 2-4 week period. Weekly review meeting with Form Tutor.
<b>YTD attendance drops to 93% (&gt;90%) or 3 days absence in one term</b>	<b>Continues to fail to meet Government expectations. Attendance Support Plan Stage 2</b>	13-19 days off each year; 65 – 95 hours of lost learning which is likely to hinder progress in some subjects. Letter sent home to parents. AHOY will contact parents. Student placed on Attendance Monitoring Card (ASP Stage 2) for 4 week period; daily monitoring by Form Tutor, weekly review meeting with AHOY. Parents may be invited in to school dependent on absence pattern.
<b>YTD attendance drops to 90% (&gt;85%) or 5 days absence in one term</b>	<b>Cause for Concern; Persistent Absence. Attendance Support Plan Stage 3</b>	90% attendance equates to is half a day off every week! 19-29 days absence; equates to missing between 50 and 95 lessons across the year and will inevitably hinder progress in most subjects. <i>In employment, a person who only attends 4½ days a week is unlikely to hold down a job!</i> Educational Welfare Officer involvement and can result in parents receiving a Penalty Notice (fine of £60 per parent) Parents will be invited in to school for a meeting to discuss attendance concerns with AHOY/HoY/EWO. Student placed on AHOY Attendance Monitoring Card (ASP Stage 3) for 4 week period; daily monitoring by AHOY, weekly review meeting with HoY.
<b>YTD attendance falls below 85% (&gt;60)</b>	<b>Continued Cause for Concern; Continued Persistent Absence. Attendance Support Plan Stage 4</b>	Attendance is now a real cause of concern and is significantly impacting progress; other agencies will now become involved. The Educational Welfare Officer will monitor attendance along with HoY, School Attendance Officer and SLT; EWO may escalate procedures further which can result in parents being taken to court. Student and parents will be invited in to school for an Attendance Panel Meeting with Governors, SLT and members of the School Attendance Team. Targets will be set and attendance monitored accordingly (ASP Stage 4); weekly review meetings with HoY/Attendance Officer/EWO
<b>YTD attendance is &lt; 60% and student is in danger of becoming a severe absentee (&lt;50%)</b>	<b>Major cause of concern; Severe Absence Attendance Support Plan Stage 5</b>	Attendance, and progress is now a major cause of concern. School/EWO work with additional agencies to find ways of addressing individual cases. EWO can escalate procedures legally.
