

BELLERIVE FCJ CATHOLIC COLLEGE

ADMISSIONS POLICY AND ARRANGEMENTS FOR 2026-2027

This policy will be implemented in a way which honours the vision that every FCJ school is a community of persons - students, staff, governors - bound together in mutual respect and ready to rely on each other in fulfilling their privileged task as educators in a Catholic school.

Bellerive FCJ Catholic College is a single academy trust within the trusteeship of the Sisters, Faithful Companions of Jesus, and as such acts as its own admissions authority. It is located in the Archdiocese of Liverpool and the Liverpool Local Authority. The Governing Board of the school is responsible for determining and administering the policy relating to the admissions of pupils to the school. It is guided in that responsibility by:-

- a) the requirements of the Law,
- b) the advice of the Trustees, the Sisters Faithful Companions of Jesus, and the Archdiocese on the nature and purpose of its duties,
- c) its duty towards the school and the Catholic community it serves,
- d) the Catholic character of the school and its Mission Statement,
- e) recognition of those parishes designated by the Archdiocese as contributory parishes, as well as all other parishes in the Archdiocese.
- f) recognition of the Pastoral Areas of the Archdiocese.

Having consulted with the Local Authority, Headteacher and others in accordance with the requirements of the law, the Governing Board has set its Admission Number at 150 pupils for the school year commencing September 2026.

Applications (to Bellerive) are part of the Co-ordinated Admission arrangements operated by Liverpool Local Authority. **Parents seeking a place at Bellerive must fill in both the Local Authority Common Preference Form and the Bellerive Form.** Bellerive must be one of the schools named on the Local Authority Preference Form. The closing date for applications is **31st October 2025**.

If the Governing Board makes an allocation of a place on the basis of fraudulent and intentionally misleading information, that place will be withdrawn.

Request for admission outside of the normal age group

Parents have the right to request that their child is admitted outside of the normal age. In the event that you wish to make such a request please contact the Clerk to Governors with a written request including the following information:

1. the normal age group that the pupil would be admitted to (e.g. Year 7) and the year group which you are requesting your child be admitted to;
2. the reason(s) for your request;
3. your views on why the admission outside of the normal year group should be made;
4. information and evidence about your child's academic, social and emotional development as supported by professionals;
5. confirmation as to whether your child has been educated outside of the normal age group previously; and
6. if relevant to the request, a medical history and the views of medical professionals about the request for being educated outside of the normal age group.

The Headteacher will be given the opportunity to consider the information and, along with your application, submit the information to the Governors' Admissions Committee to make a determination. If the request for a deferred entry is not made within the normal admissions round and is refused by the Admission Committee, whereby you are not offered a place for your child in the normal age group, then Parents will have the right to appeal the decision to an independent appeal panel.

If the application is made during the normal admissions round, and Governors agree that an admission outside of the normal age group is acceptable, then the application will be processed in accordance with that admissions scheme as co-ordinated by the Liverpool City Council, and will still be subject to our oversubscription criteria. A grant of the application does not receive any priority under our oversubscription criteria. If the application is rejected by Governors Admissions Committee during the normal admissions round then the application for a place at Bellerive will still be subject to our oversubscription criteria but for admission into the normal age group.
