Music plays a big part in the city of Liverpool. We are famous for the many bands, singers and musicians who were born in this great city.

There is a statue of them in front of 'The Three Graces' on the Liverpool Waterfront.

## Question:

2. Can you find the statue and describe it?   
What is it made of? Take a picture of yourself with the statue, and stick it into your book?
3. Do you know what '**The Three Graces**' are?

Princes Park (<https://friendsofprincesparkl8.org.uk>)

We were delighted to receive members of Nelson Mandela's family to school to launch the Madela8 project—Its initial vision is to see a permanent artwork that functions as a unique performance, conversation and contemplation space established at a Toxteth Liverpool 8 heritage site, to celebrate, commemorate and pursue the legacy of Nelson Mandela's outstanding achievement for humanity.

**Question:** Who is Nelson Mandela?

**Answer:**

Walk down **Princes Avenue** and **Princes Boulevard**—see the mural painting of Mandela on the wall of the Kuumba Imani Millennium Centre. Write down some of the quotes that tell the story of Liverpool 8's remarkable history. Walk through Princes park, see where the artwork will be installed.

**Task:** Write a poem about all the things you have seen and done for this project, your experiences, discoveries and thoughts. It doesn't need to rhyme.
