Thursday 4th September 2025

Dear Parents and Carers,

Year 10 marks the start of an exciting and very important stage of your daughter's education. The next two years will be focused on preparing, guiding and supporting her to meet the challenges of GCSE examinations and achieve results she can be proud of.

We recognise that as parents and carers you play a vital role in this journey, and we would like to invite you to our Year 10 Information Evening on Tuesday 16th September at 5.00pm.

During the evening, we will provide important information, advice and guidance about how we track and monitor progress, homework expectations, study skills, GCSE examinations and the ways we can work together to help your daughter to succeed.

We very much hope you will be able to join us for this event, as it will be an invaluable opportunity to gain a clear understanding of the journey ahead and to ask any questions you may have.

Please confirm your attendance at the event by following this link:
