Dear Parent/Carer,

Re: School Lockdown Test – Thursday 6th November 2025

As part of our ongoing commitment to ensuring the safety and wellbeing of all students and staff, we will be conducting a school lockdown test on **Thursday 6th November 2025**.

This test is a routine part of our emergency procedures and is designed to ensure that everyone in our school community knows what to do in the unlikely event of a real lockdown situation. It is not in response to any specific threat, but rather a proactive measure to reinforce our safety protocols.

During the test:

- Students will be instructed to follow lockdown procedures as per the policy.
- Staff will guide students through the process calmly and clearly.
- The test will be brief and will not disrupt the rest of the school day.

We understand that some students may feel anxious about such drills, and we will ensure that the process is handled sensitively. If you feel your child may need additional support or reassurance, please do not hesitate to contact their Head of Year or our pastoral team.

Thank you for your continued support in helping us maintain a safe and secure learning environment.

Yours sincerely,

Mr I Withers
Deputy Headteacher
