

Thursday 29th January 2026

Dear Parent/Carer,

We are pleased to invite you to our Year 9 Parents and Pathways Evening, which will take place in person on Thursday 12th February 2026, from 4:00pm to 6:30pm. This important event provides an opportunity to discuss your daughter's progress in her core subjects and to explore the GCSE option choices available to her as she enters Year 10.

During the evening, you will be able to meet with your daughter's core subject teachers: Maths, English, Science and RE. These conversations will help you review her academic progress, celebrate achievements and identify next steps as she approaches a key milestone in her education.

To help manage these appointments efficiently, we will be using the SchoolCloud online booking system. You can book 5-minute appointments at times convenient for you. Bookings will be open from 12:00pm on Thursday 29th January until 12:00pm on Thursday 12th February 2026.

Teachers of option subjects will also be available throughout the evening on a drop-in basis. As your daughter will soon be making her GCSE option choices, we strongly encourage you to prioritise speaking to the teachers of the subjects she is considering studying at GCSE. They will be able to provide feedback on her current progress and offer advice and guidance about the courses within their subject areas.

In addition, senior staff will deliver a presentation explaining the GCSE option pathways and process. These presentations will take place at 4:30pm and 5:30pm.

Please note that the following staff members will be unavailable on the evening:

Miss McGinn – Maths

Miss Deasy – Maths

Mr Ealey – Maths

Mr Butterworth – Geography

If you require feedback from any of these teachers, please email the school at contactus@bellerivefcj.org and a report will be sent to you after the half-term break.
