

**Bellerive FCJ  
Catholic College**  
Inspiring personal and academic excellence

Dear Parent/Carer,

We would like to invite you to attend our upcoming **Year 7 Parents' Evening**, which will take place on **Thursday 22<sup>nd</sup> January, from 4:00pm to 6:30pm**. This is an important opportunity to discuss your child's progress and attitude to learning.

The evening will be held **online**, allowing you to meet with your child's subject teachers to discuss their academic progress, achievements, and areas for development. These conversations are vital in supporting your child through this crucial stage of their education.

To manage appointments efficiently, we will be using the SchoolCloud online booking system. You will be able to book 5-minute appointments with your child's teachers at times that suit you. **The booking times will be open between 12 pm, 8<sup>th</sup> January 2026 until 12pm 22<sup>st</sup> January 2026.**

To book, visit: <https://bfcj.schoolcloud.co.uk/>

A short guide on how to book appointments can be found at [Video Guide for Parents](#).

You'll need the following details to log in:

- Parent/Carer forename and surname
- Your daughter's forename, surname and Date of Birth

I strongly recommend booking as early as possible to secure the appointment that suits you (if an appointment is already taken it will be marked as unavailable).

If you experience any difficulties accessing the system or making bookings, please contact the school office for assistance.

We strongly encourage all parents and carers to attend, as your support plays a vital role in your child's success.

Thank you for your continued support.

Yours sincerely,

Mr I Withers

Deputy Headteacher
