Taster Day Bellerive Wednesday, 6th July 2022

Dear Parents and Carers

Thank you for applying for a place for your daughter on our Taster Day next week. I am pleased to say that we have been able to allocate her a place this year.

Pupils should wear their school uniform and wear trainers.

You should drop your daughter off at Bellerive FCJ Catholic College using the black pedestrian gate on Ullet Rd. There will be staff outside to guide you. They should arrive no earlier than **9:30am** on Wednesday, 6th July. The girls will experience a few different lessons in the morning and will then watch a performance of Matilda, our school musical in the afternoon. They will be ready for collection at **2:30pm** and you should collect your daughter from the place that you dropped her in the morning.

Please do not park on the red cycle lanes outside of the school building. I recommend parking on Sefton Pk and walking up to school. There are 240 girls joining us and to park so close to the school would pose a danger to other parents and children.

Girls will be provided with a buttered bagel and a glass of squash at break and a slice of margarita pizza and squash at lunch. This is at no charge to parents.

If your daughter will not eat this, please provide her with a snack for break and a packed lunch.

We look forward to meeting your daughters next Wednesday and hope that they have a very enjoyable day with us.

Yours sincerely,

Mrs N. Howlett

Headteacher
